Cab leather seating

Habitation area leather upholstery

ALDE telemetric control to central heating (mobile phone connectivity via SMS)

Heki 4 remote controlled rain-sensitive rooflight

The Mass in Running Order includes a tolerance for material variances and an allowance for the driver, a full tank of fuel, 90% of the water tank and the gas bottles and the auxiliary battery. Maximum User Payload includes: Personal Effects, Optional Equipment and the Conventional Load. Note 1: Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motorhome. Note 2: Warning under no circumstances must the Maximum Technical Permissible Laden Mass of the motorhome be exceeded. Note 3: All data is calculated using metric weights and measurements. The imperial figures quoted are conversions thereof. Note 4: Care should be taken when loading your motorhome in order to ensure that you do not exceed either the front or rear axle maximum weight. Note 5: If used as single beds rather than a double bed, single bed measurements in the 215 are calculated incorporating usage of the front driver and passenger seats. Note 6: The double bed in the 240 is measured with the chest of drawers removed. Note 7: The maximum height is increased by 100mm when the optional awning is fitted. All prices are ex-works and include VAT at the prevailing rate of 17.5%. Prices exclude recommended on the road charges of £1,295 (delivery charge, PDI, number plates, road fund licence and first registration fee). Prices correct at time of going to press.
