

ELDDIS Crusader Mistral

Price	£16,295
MPTLM	1630kg

This island-bed layout, with an L-shaped lounge, is a new single-axle Eddis for 2009.

The L-shaped lounge has a TV stand beside the door that can be seen from all seats. At the rear, the island bed has a memory foam mattress, twin speakers and good storage.

The exterior design, with flush-fitting privacy windows and new front and rear panels, is bold.

The classy look continues inside with new cabinet work. Couples also get a Sony CD/MP3 player, an on-board water tank, LED lights and sprung upholstery. Kitchen kit is extensive, too.

This new single-axle, island-bed layout is well executed and competitively priced.
